

Communal Institution "Vinnytsia lyceum №31"

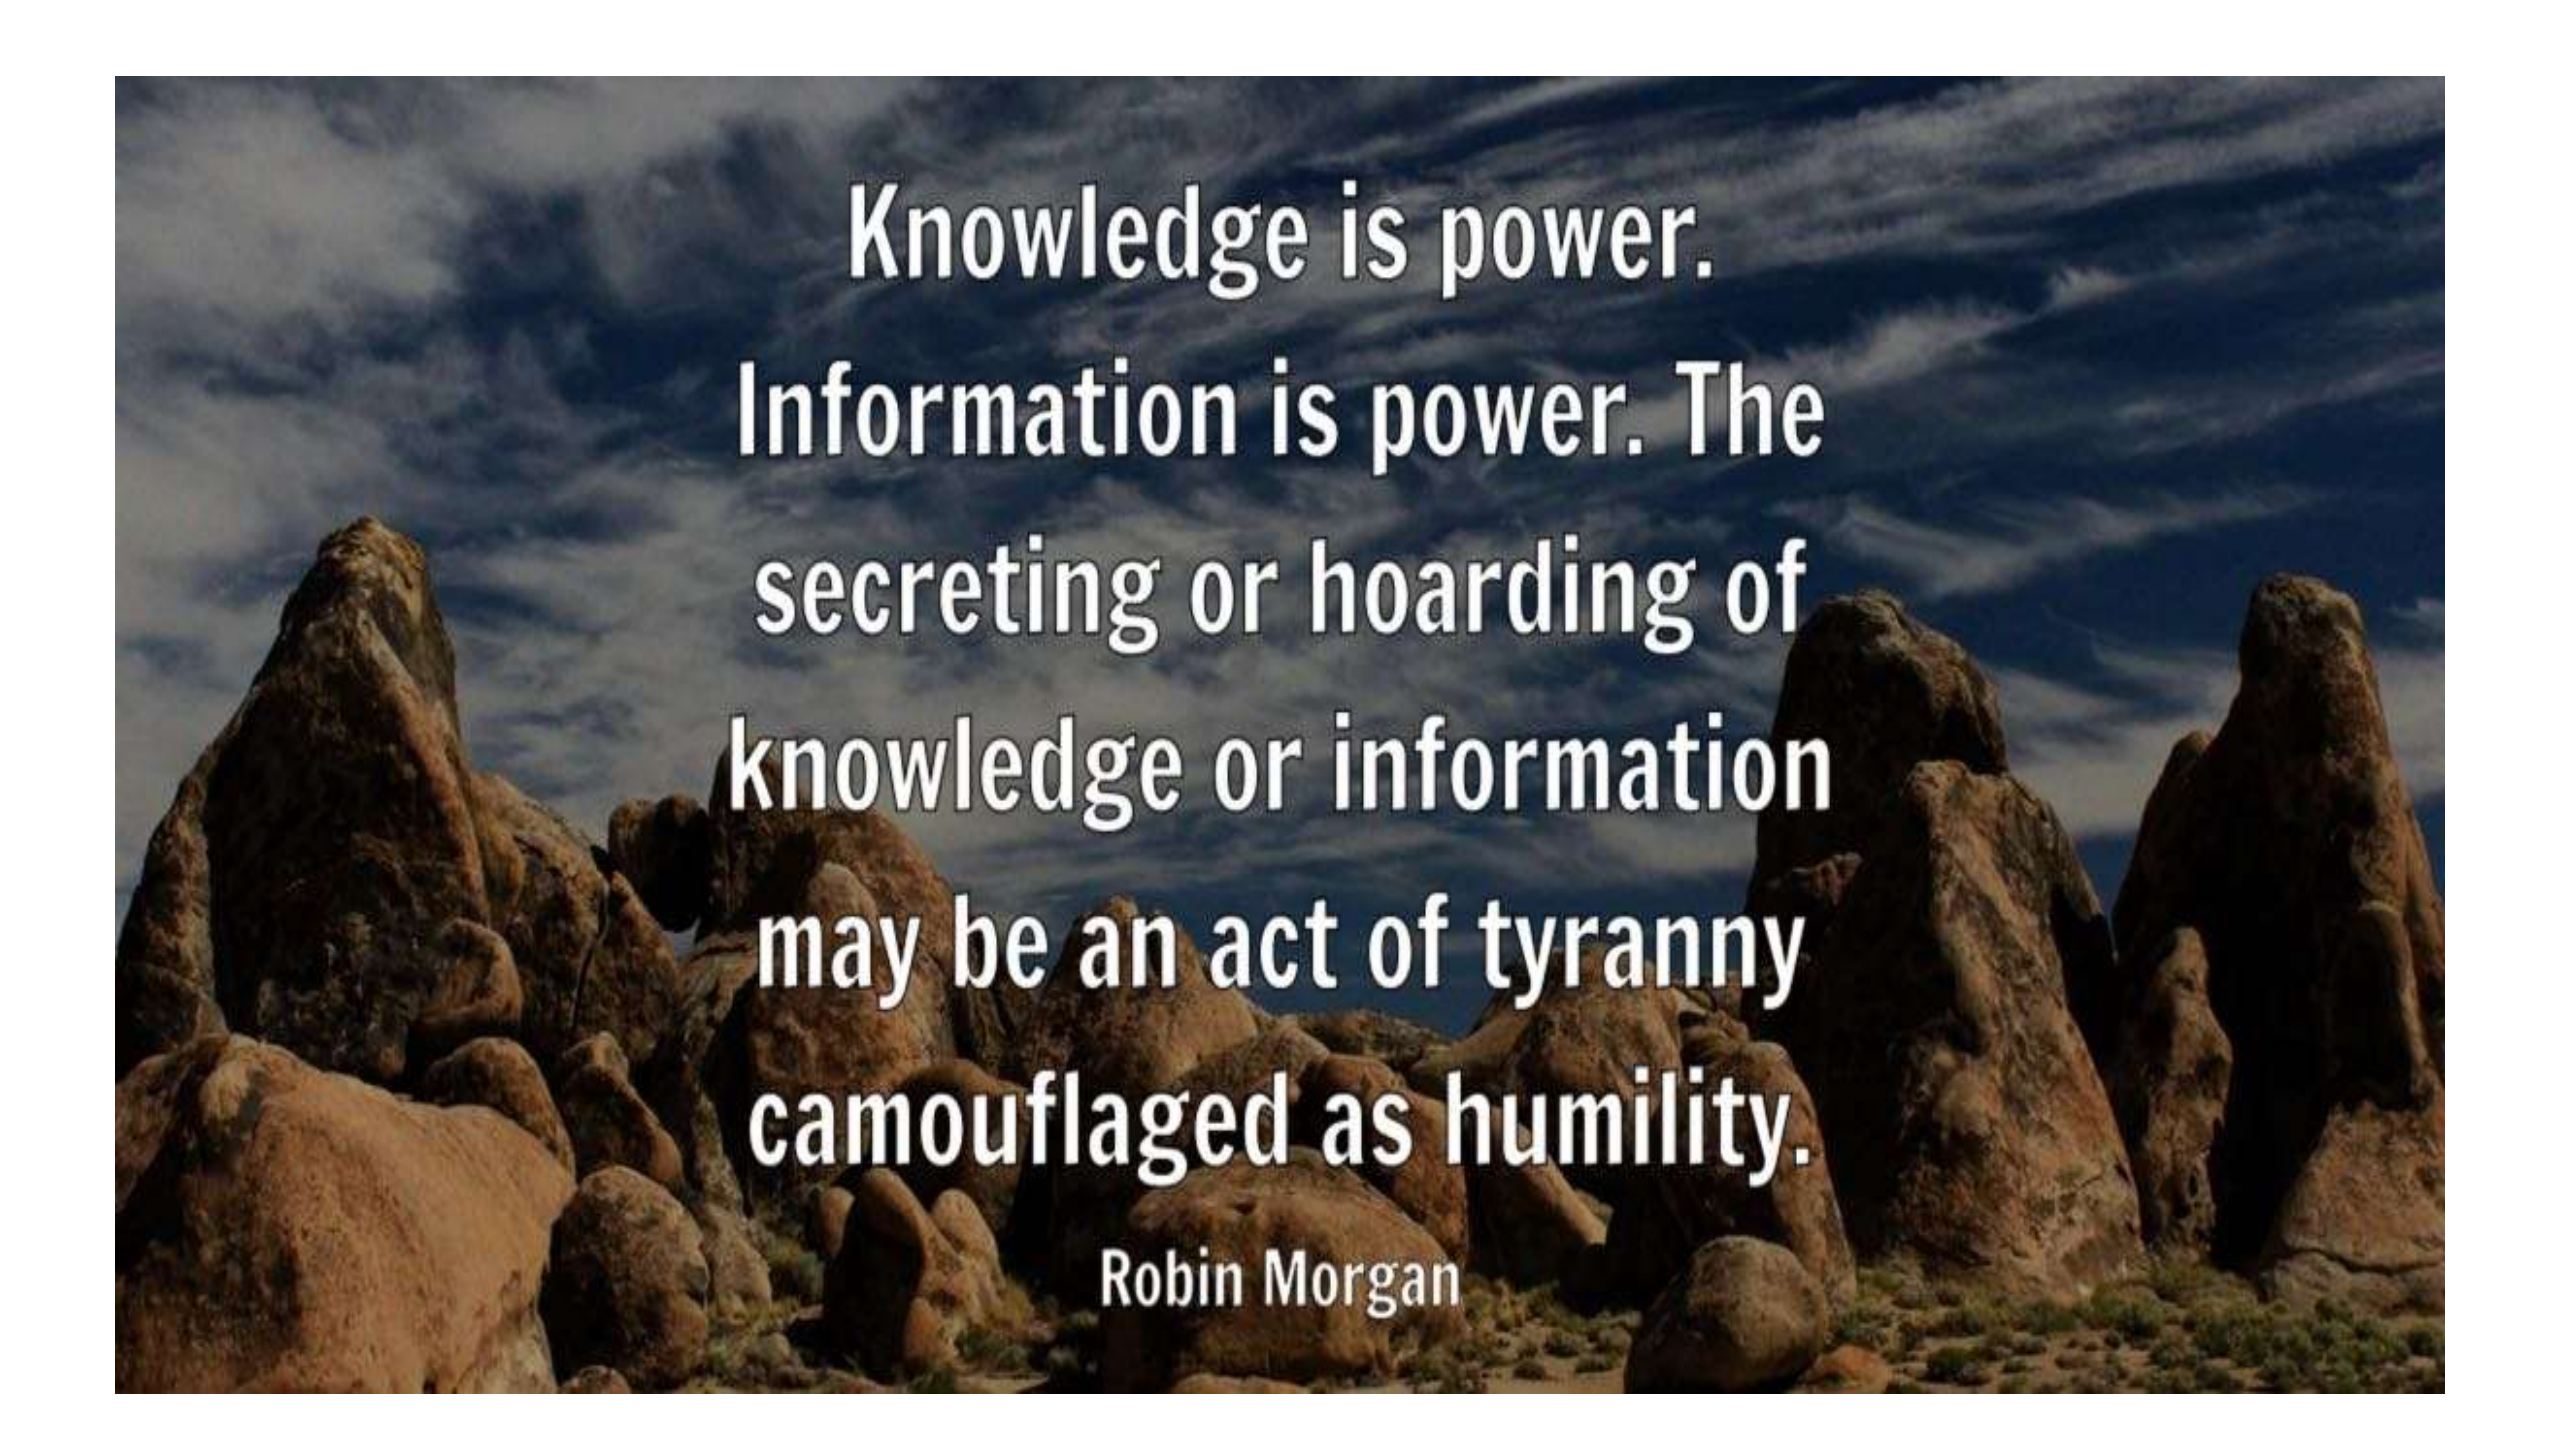

An illustration of a large laptop computer. The screen displays the text "E-LEARNING" in bold black letters on a yellow background. Several stylized human figures are interacting with the laptop: three are sitting on the top edge using laptops, and three are sitting on the keyboard area also using laptops. A man stands to the right of the laptop, looking at a smartphone. The background is a dark teal color with various white mathematical and scientific icons: a parabolic graph, a bar chart, a line graph, a pie chart, and mathematical symbols like $f(x)$, \sqrt{x} , and y vs x axes.

Knowledge is Power

A landscape photograph featuring several large, dark, jagged rock formations in the foreground and middle ground. The sky is filled with dramatic, dark, and textured clouds. The overall mood is somber and powerful.

**Knowledge is power.
Information is power. The
secreting or hoarding of
knowledge or information
may be an act of tyranny
camouflaged as humility.**
