4. Pixton

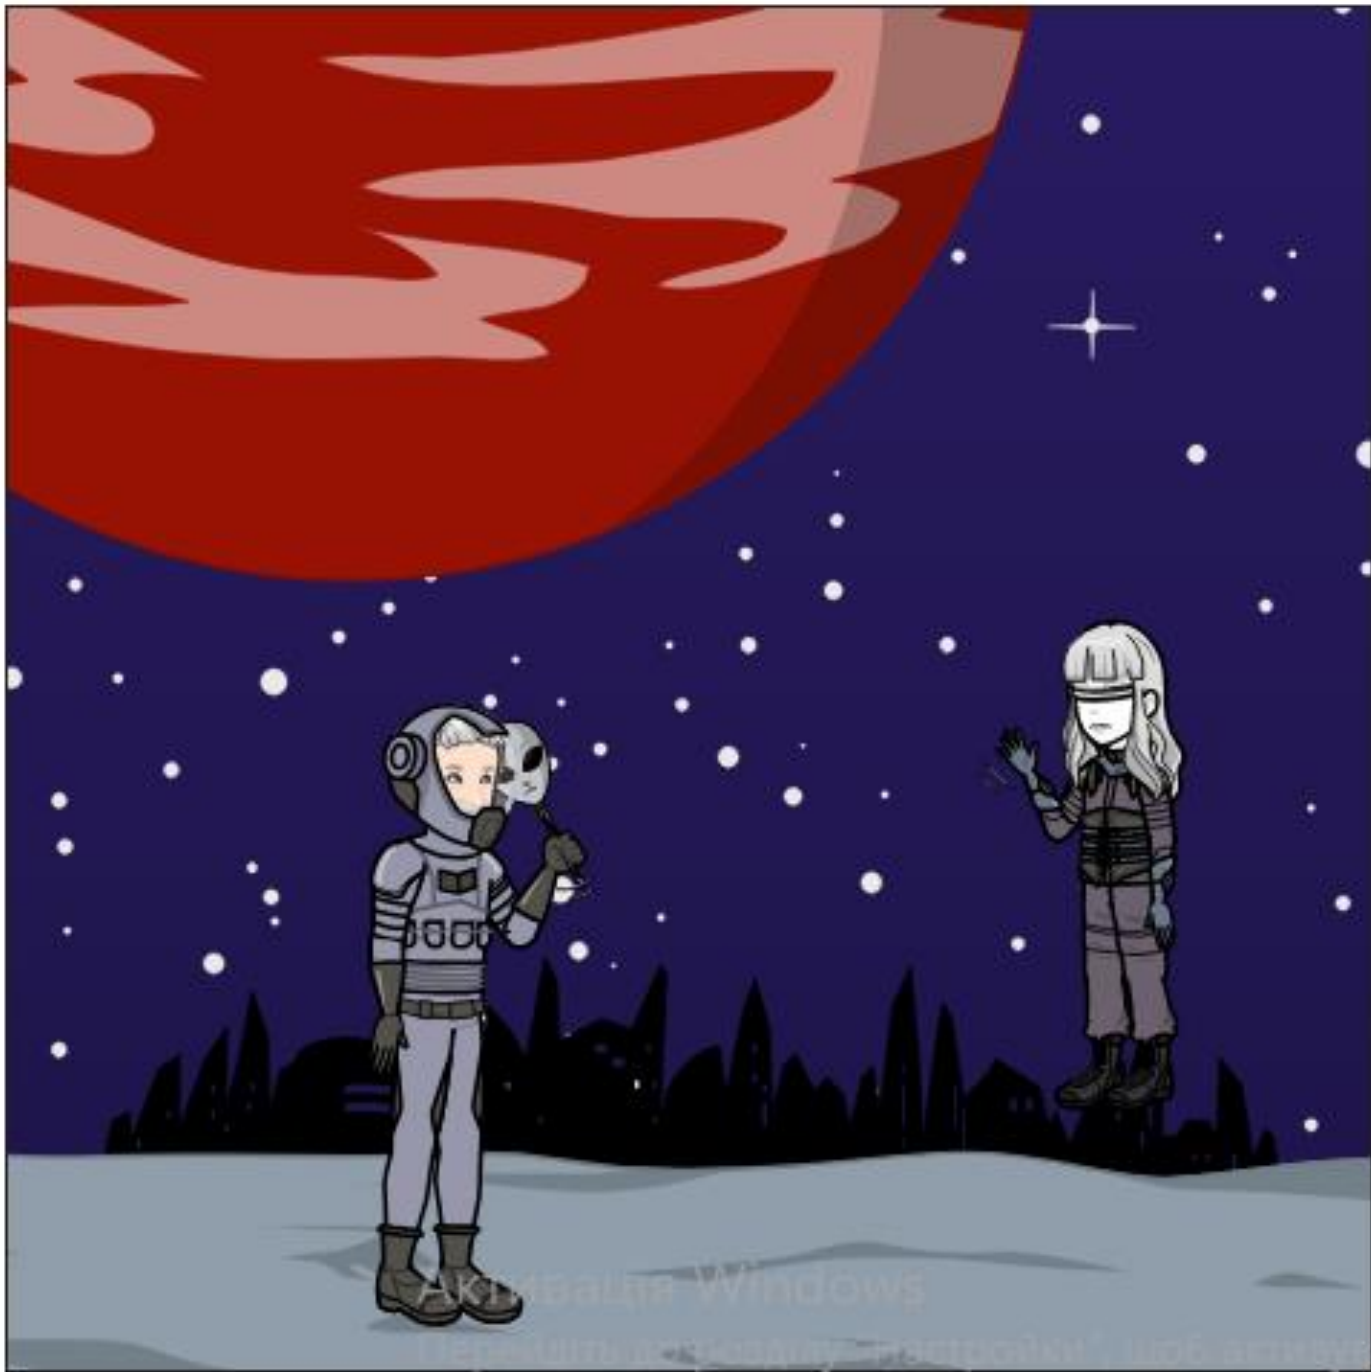

Storytelling (gap task)

The screenshot displays the Pixton website interface. At the top left, the Pixton logo is followed by the word "Educator". On the top right, there is a user profile icon and the name "наталія". Below the header, a navigation bar contains a back arrow, a user profile icon, and the title "Einstein's Space Holiday". To the right of the title are several icons: a pencil for "EDIT", a speech bubble for "VOICEOVER", a download arrow for "DOWNLOAD", a printer for "PRINT", and a share icon. The main content area features three panels of illustrations:

- Panel 1:** A man with white hair, wearing a brown sweater and dark pants, stands on a grassy hill. In the background, a white and orange rocket is on a launch pad next to a control tower.
- Panel 2:** A blue and white spaceship is flying through space. The background is dark blue with white stars and several large, reddish-brown asteroids.
- Panel 3:** Two astronauts in white suits are standing on a grey, cratered surface. One astronaut is holding a small white dog. A large, bright red planet is visible in the dark blue sky with white stars.

full of bright ideas

A scenic photograph of a sunset over the ocean. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the water. The sky is filled with scattered clouds, some of which are illuminated by the setting sun. In the foreground, the silhouettes of three people are visible on a rocky cliffside. One person is standing next to a camera on a tripod, another person is standing nearby, and a third person is sitting on the cliff edge. The overall mood is peaceful and inspiring.
